

# LMS Pricing Essentials Solution

Do more with training for less than you'd expect.

TOPYX Essentials has the same core functionality as TOPYX Expanded, but caters to the needs of smaller and mid-size businesses. A perfect match for companies that want to use an LMS system, without the full functionality of an unlimited platform.

# LMS Extras

Only pay for the extra features you really need.

TOPYX comes with award-winning features, but in case you need to further customize, the options below are easy to implement into your instance.

Languages	Engage your learners in their native language – TOPYX supports le!-to-right or up-and-down languages.	Single language \$1500/yr Pack of three languages \$3000/yr
SSO / API / FTP / FTPS	Have your systems integrate front and back-end with TOPYX.	\$2,000 One-time fee per set-up
Secure Email	Utilize secure email delivery from your TOPYX site.	\$1,500/yr
White Labeling TOPYX	Ability to remove TOPYX identification.	\$2,500 One-time fee
Professional Admin Service	We are available to set-up and maintain your TOPYX site for you. For example – we can load content, create courses (with the materials you provide), programs, learning paths, manage users and groups, plus provide reporting. If it has to do with your TOPYX site we will do it for you to help supplement your staff or save you from adding staff.	\$125/hr or \$9,500/yr for full service
Professional End-User Support	We can assist your users via email support.	\$9,500/yr
Professional Tech Support	For our larger clients an additional dedicated resource to assist with rapid response and high priority items.	\$9,500/yr
