Languages	Engage your learners in their native language - TOPYX supports le!-to-right or up-and-down languages.
Learning Record Store	Maintain a detailed store of all your learner records, training, and extra activities in one single solution.
Professional Admin Service	We are available to set-up and maintain your TOPYX site for you. For example - we can load content, create courses (with the materials you provide), programs, learning paths, manage users and groups, plus provide reporting. If it has to do with your TOPYX site we will do it for you to help supplement your staff or save you from adding staff.
Professional End-User Support	For our larger clients an additional dedicated resource to assist with rapid $9,500/yr response and high priority items.
Professional Tech Support	For our larger clients an additional dedicated resource to assist with rapid $9,500/yr response and high priority items.
Custom Work	We can assist with custom work and development.

We can provide off the shelf and custom content from:

TRALIANT   vado   BIZ LIBRARY   intellezy   iHASCO
